Dear Ms. Camacho-Pagan:

I am writing pursuant to my letter of May 14 in which I told you that we are interested in interviewing minority candidates for jobs in this office. I am enclosing a job notice for a position which is now available for a New Jersey attorney who has practiced for at least two years.

Since I have not heard from you and I do not know precisely how long you need in order to get notices of vacancy to your members, I simply request that you forward the enclosed notice as soon as possible to any of your members you might think would be interested. Then, I would be grateful if you would give me a call to let me know how much time you would need in the future in order to make sure that our notices reach your members in time for them to apply. The closing date on the present notice is June 13 and I would be happy to hear from any of your members who would like to apply.

Sincerely,

*Ellen T. Wry*
